

BY TRAIN:

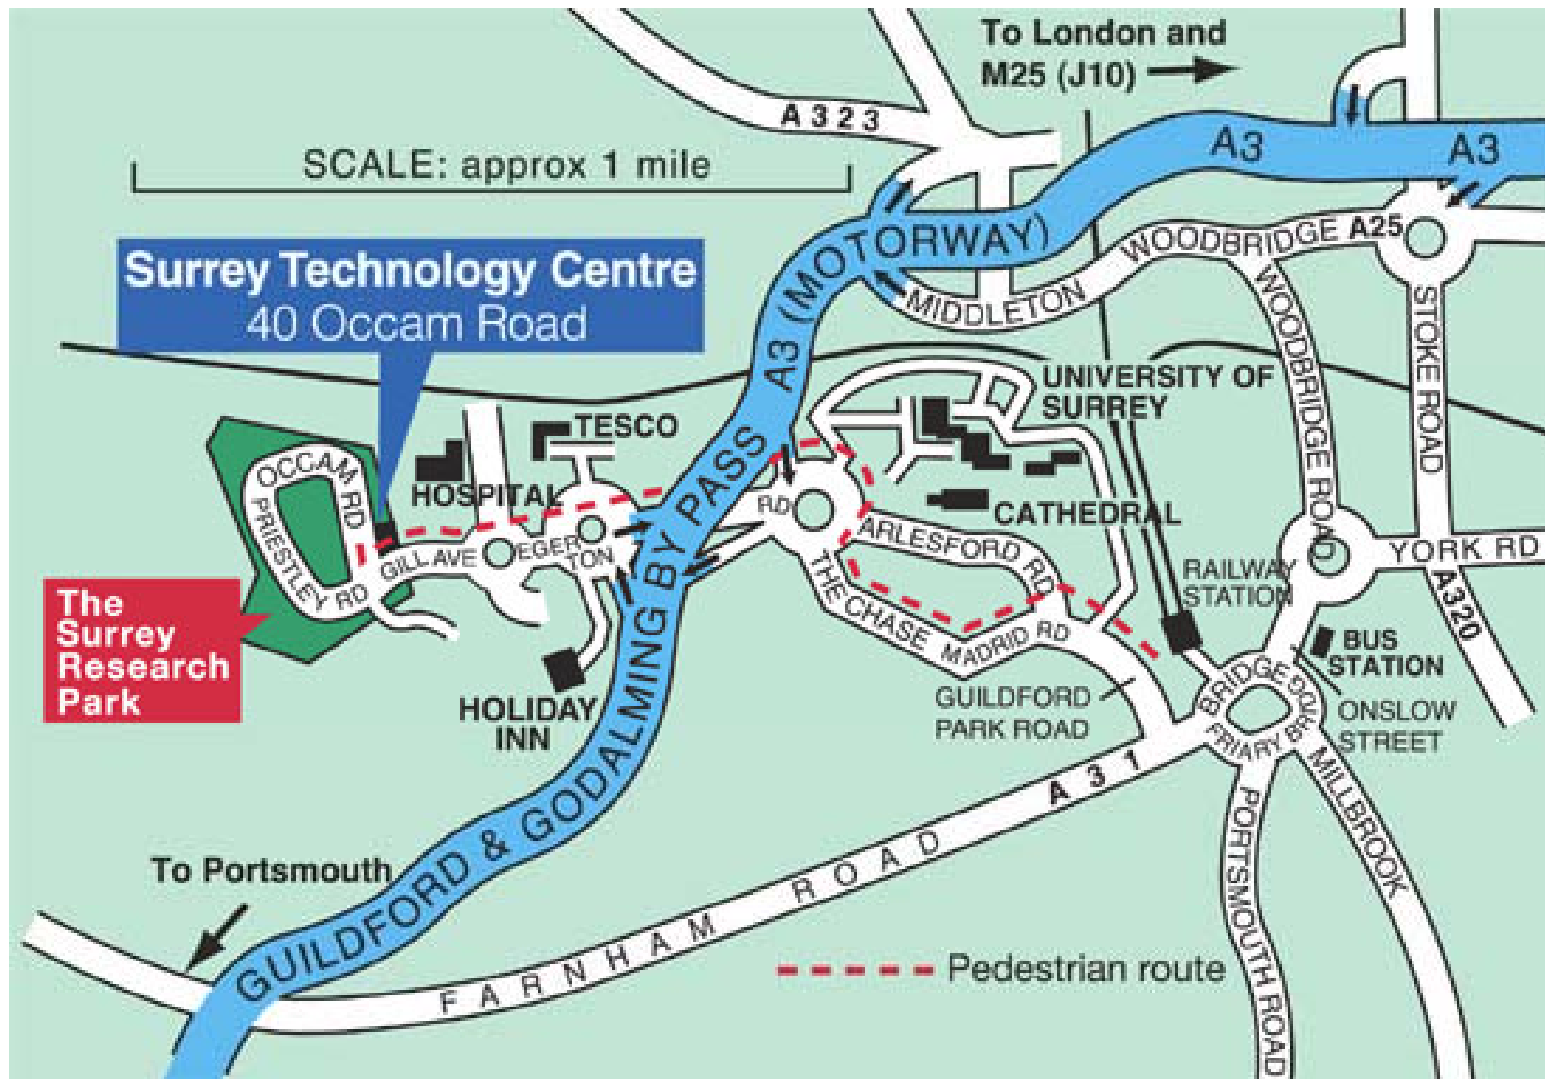

Guildford is on the Waterloo-Portsmouth Harbour line. Once at Guildford Station take either a taxi, these are usually parked outside the front entrance, or use the bus service to the Park itself or to the Hospital a short walk away

FROM THE M25:

Leave the M25 at Junction 10 for the A3. Exit the A3 where sign posted to The University of Surrey, The Cathedral, The Hospital and The Research Park (do not take earlier exits signed to Guildford). Take the third exit off the Cathedral roundabout. Drive through the underpass, below A3. Go straight across the next two roundabouts, the second of which will bring you onto Gill Avenue (Hospital on your right). At the next roundabout turn right and Surrey Technology Centre is the first building on the right.

FROM PORTSMOUTH ON THE A3 (travelling North):

Exit A3 where sign posted to The University of Surrey, The Cathedral, The Hospital and The Research Park. Take the second exit off the roundabout at the end of slip road. Go straight across the next roundabout which will bring you onto Gill Avenue (Hospital on your right). At the next roundabout turn right and Surrey Technology Centre is the first building on the right.
